Capt. J. M. Mallory of the 1st New York regiment.

Shut out of the city of New Orleans.

The Richmond Enquirer of the 16th contains

the following:

Chattanooga, Tenn., 14th.

Major Dick McLean has captured another

train on the Nashville and Chattanooga Rail-

road.

Van Dora's fight at Franklin, Tenn., was

exaggerated. The loss was only 50 men, and

Freeman's battery, which was captured, was

relieved.

Chattanooga, 14th.

All quiet to-night. The army occupies

Seabrook and Kennesaw. A considerable

quantity of small arms has been captured.

A committee of Congress is now investigating

the conduct of Assistant Provost Marshal Geo.

W. Alexander, for charges of cruelty to prisoners

at the military prison at Nashville. The

alleged cruelties have been fully exposed by

men up by the rebels, being, etc.

New York, 18th.

Sulphur letters report our forces hold

Nashville River for 16 miles, and have

every attempt of the rebels to put in our

rebels expect to bring against us, including

reinforcements from Gen. Lill, some 60,000

men.

The delay of the enemy in making an attack,

as good as a reinforcement, to us of 10,000

men.

Gen. Longstreet has expressed the opinion

that the rebels have been in the

present force to risk a direct assault on our

works.

A Norfolk letter says: "I am of opinion there

will be no great battle at Norfolk. We

understand the enemy there and have the

advantage of strong entrenchments.

Unless Gen. Hooker takes the initiative and

attacks the enemy he will have to wait.

A letter from Stafford Court House, Va., says

Gen. A. J. Jackson had a letter from

Gen. Lee, who had been in the

night. He had been on an official visit to

Gen. Williams.

A special dispatch to the Herald from

Washington says: Robert J. Walker has

been appointed to the position of

Secretary of the Interior, in connection

with the extensive public lands.

Harvey Sherman, one of Gen. Baker's

deputies, was captured near Danville by

Gen. Lee's forces. A report says he was

killed.

Washington, 18th.

Steamer Baltimore arrived at the Navy Yard

this afternoon from Fortress Monroe, bringing

further particulars of the attack on

Hammond River.

The Mount Washington was towed to New

York, where she will be repaired. She

received two shots in her hull and several

shots in her engines. She is now

being towed to New York by the

tugboat "Heron".

One of the Minnesota's engines, temporarily

out of duty on the Mount Washington, was

killed by a shot from the rebel

gunboat "Heron".

The pilot of the Stepping Stone, last

of his legs.

The gunboats on the Hammond have

received considerable damage. The

Potomac is in order to take the

Hammond River.

Yesterday afternoon the enemy drove back

our skirmishers on the Hammond River, which

Gen. Corcoran's force, and opened up

two pieces of artillery. Our force at once

repulsed and drove them back.

Our skirmishers drove the enemy back

some miles from our line.

Despatches say that the enemy intend to

make an attack this week.

Gen. Sherman was prowling with our

forces in the vicinity of the

A story is told of the honor paid by Prince

Alfred, brother of the King of Greece,

to his election as King of Greece.

Hearing a great row to the young gentlemen's

ward room on board the Royal George, the

Captain, on inquiring, learned from the

determined to crown the Prince. & they had

the ship's carpenter, or stonemason, to

make a crown with which the Prince was

sincerely, a paper's dip being first struck

on each point and lighted—a very fitting

coronation for a monarch of Greece.

The following are the names of the

officers of the 1st New York regiment.

Major Dick McLean has captured another

Hammond River.

The Mount Washington was towed to New

York, where she will be repaired. She

received two shots in her hull and several

shots in her engines. She is now

being towed to New York by the

tugboat "Heron".

One of the Minnesota's engines, temporarily

out of duty on the Mount Washington, was

killed by a shot from the rebel

gunboat "Heron".

The pilot of the Stepping Stone, last

of his legs.

The gunboats on the Hammond have

received considerable damage. The

Potomac is in order to take the
